 - service level scalability upon demand
- **using of existing LAN cabling**
- **open HW platform** – cameras from different producers

Guarded property

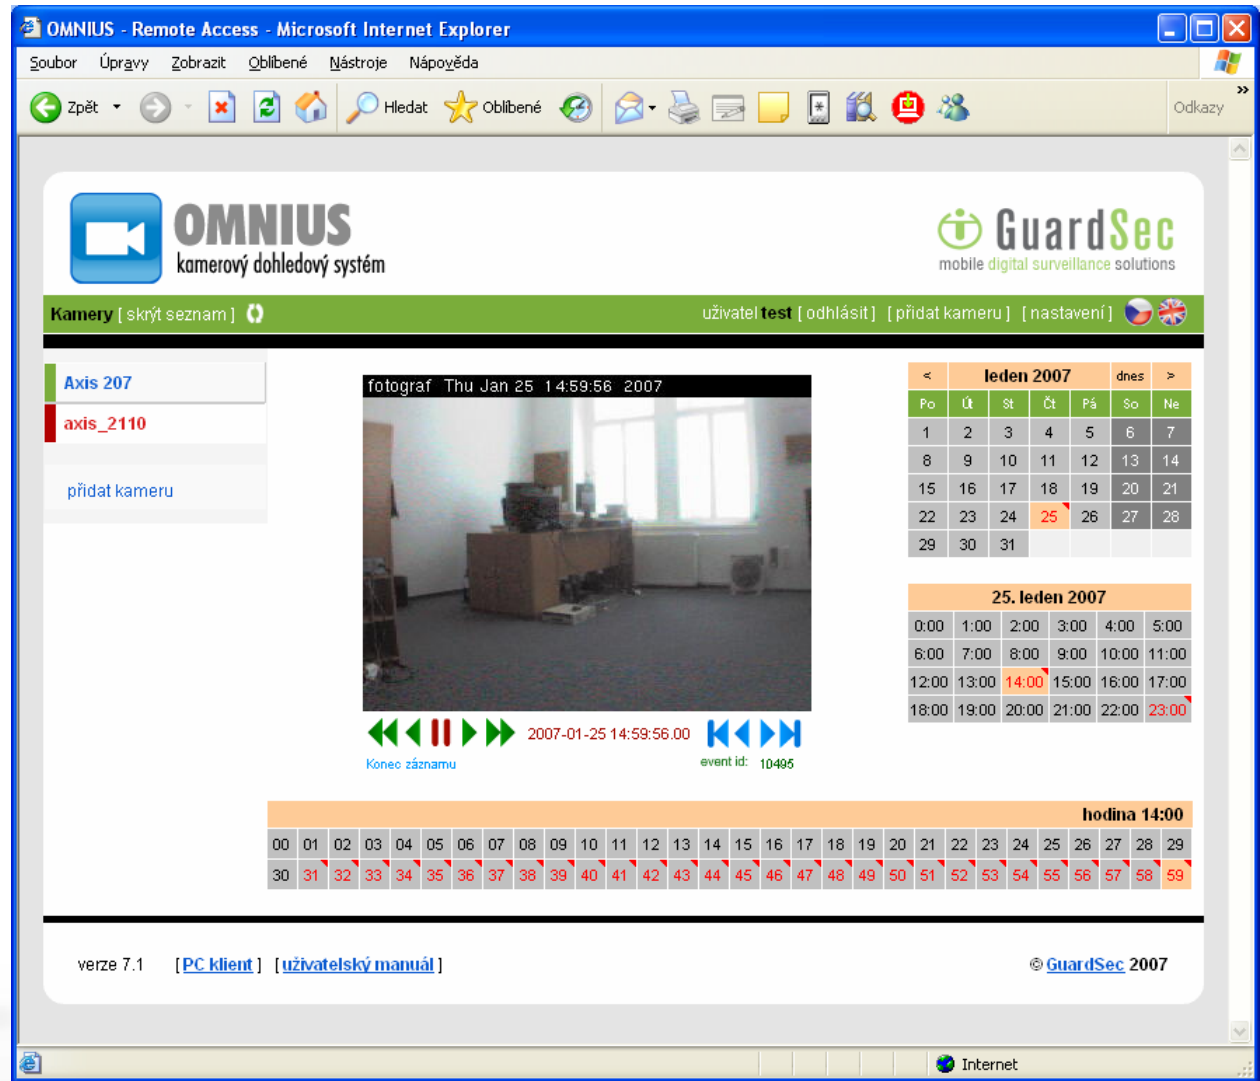

OMNIUS user

A screenshot of a Microsoft Internet Explorer browser window displaying the OMNIUS web interface. The browser title bar reads "OMNIUS - Remote Access - Microsoft Internet Explorer". The address bar is empty. The page header includes the OMNIUS logo and the text "kamerový dohledový systém", along with the GuardSec logo and "mobile digital surveillance solutions". A green navigation bar contains "Kamery [skrytý seznam]" and "uživatel guest [odhlásit]". The main content area shows a camera feed titled "Lávka" with a "JPG (320x240)" label above it. The video feed shows a panoramic view of a city with a river and a large church. Below the video is a "JPG Video" label. The footer of the page displays "verze 7.1" and "© GuardSec 2007". The Windows taskbar at the bottom shows "Applet Omnius .Omnius started" and "Internet".
